## *To the Class of 1952 . . .*

You represent a minority group against which, fortunately, there is little prejudice! You have been blessed as none of your predecessors and few of your contemporaries. You have been born into a family, a country, and a time in history which can offer you the accumulated fruits of man's struggles down the ages. The privileges of education in a free country are yours; yours, also, is the responsibility for bringing peace, cooperation and brotherhood to a warped and soul-sick world. It is a glorious opportunity—and a sobering responsibility!

A handwritten signature in cursive script, appearing to read "John D. Young". The signature is fluid and elegant, with a large, sweeping flourish at the end.

DR. JOHN R. YOUNG

A lasting memory of Monticello days is our association with Dr. John R. Young, whose frequent informal meetings with students lend a distinctive flavor to campus life.

Both Dr. and Mrs. Young are well known for their cordial hospitality in the Evergreens and their attendance at college receptions, dances, assembly and vesper programs.

An active Rotarian, the president is a member of the board of directors of Alton Memorial Hospital and the Alton-Wood River chapter of the American Red Cross. He graduated from Marshall College, and received his M.A. and Ph.D., from the University of Illinois. Marshall College awarded him the degree of Litt. D. last year for having won, in the words of the citation, "distinction through merit."

Fred Kuehne, Marshall Acker, Dr. John R. Young, D. Howard Doane, Mrs. S. T. Olin, Mrs. W. W. Parsons, Eben Rodgers, chairman; Mrs. T. S. Chapman, Mrs. G. S. Milnor.

## *The Board of Trustees*

The responsibility for the over-all administration of Monticello College lies with its energetic Board of Trustees, a group of nine capable men and women who generously give of their time and energy in behalf of the school.

The Board of Trustees consists of the following members:

*Chairman:* Eben Rodgers, Alton

*Vice-chairman:* Fred Kuehne, Jr., Mattoon

*Secretary:* Marshall W. Acker, Alton

*Members:* Mrs. T. S. Chapman, Jerseyville  
D. Howard Doane, St. Louis

Mrs. George Sparks Milnor (Alice Ryrie, Class of 1911), Kenilworth  
Mrs. Spencer T. Olin (Ann Whitney, Class of 1925), Alton

*Member Emeritus:* Mrs. William Wood Parsons (President of Monticello College 1910-1918), Terre Haute, Indiana

*Member Ex-officio:* Dr. John R. Young

The Board was honored this year by a dinner held in January; a new event added to the social program. The dinner was planned to give the student body a chance to meet the trustees informally, and to provide the Board with the opportunity to know the students better.

## *Administration*

MARY LAING SWIFT

*Academic Dean*

A.B. Vassar College

M.A. Columbia University

As Academic Dean, Miss Swift knows first hand the problems of the students; they will ever remember her unsurpassed understanding and interest in them. She is always eager to help them to receive the benefits which Monticello offers every student.

Miss Swift is the chairman of the Advising Committee; she supervises curriculum and examinations. Nevertheless, she finds time, in her busy day to be personal adviser to a number of students and faculty adviser to the Student Council.

WENDEL H. BAKER

*Director of Admissions  
Assistant to the President*

A.B. University of Missouri

From his office, Mr. Baker handles all the correspondence with prospective students and a corps of admissions counselors.

He is a willing participant in many social activities and helps the students obtain transportation facilities during vacations and throughout the year.

MARION H. CROSSEN

*Dean of Women*

A.B. Oberlin College

M.A. Columbia University Teachers' College

Into the capable hands of Mrs. Crossen falls the duties and responsibilities of Dean of Women. She has administration of all social privileges, supervises student residences, and does much to make college life happy and congenial for every student.

She is an important person to the new students whom she assists in adjusting to the new and exciting experiences of college. Mrs. Crossen is always ready to help those who need her advice and understanding.

FLORENCE S. DUREE

*Social Director*

B.A. University of Nebraska

As director of Social Activities, Mrs. Duree's duties are many and varied. It is she who makes Monticello week ends so much fun for all the students, being personally interested in their social life. She is also available for consultation on social problems.

Under her direction all social events, cabin parties, movies, dances, and teas are planned and scheduled, and trips to St. Louis are arranged. Mrs. Duree is adviser to the Social Committee chairmen and other students.

WADE T. SEARLES

*Business Manager*

B.S. Ohio State University  
M.A. University of Chicago

Mr. Searles handles all the financial and business matters of the college. He also teaches economics, serves as treasurer of the Board of Trustees and supervises the buildings and grounds. Necessary repairs are carried out by the maintenance staff through his instructions.

ERMINA E. BUSCH

*Registrar*

A.B. University of Illinois

As Monticello's registrar and statistician, Miss Busch has the time-consuming job of keeping academic and registration records for each student. Preliminary and final registration in September, as well as planning of class and examination schedules, are under her guidance. Miss Busch records grades, prepares transcripts, and compiles each girl's grade point average at the end of the year. She edits the college catalog, and notes the educational progress of graduates.

She is helpful also in aiding those who plan to transfer to senior colleges, because she knows the requirements for admission to many of the universities. She, too, serves as personal adviser to a group of students.

MARY J. PFEIFFENBERGER

*Alumnae Secretary*

A.A. Monticello College  
B.A. Wellesley College

In addition to editing the Alumnae Bulletin three times a year, Miss Pfeiffenberger keeps in contact with Monticello's 4700 living alumnae. She handles all alumnae mail and sees that former students are entertained when returning to the campus.

Miss Pfeiffenberger also attends and participates in the reunions of the some fourteen active clubs throughout the country; thus doing a valuable service for the school in keeping the alumnae interest alive and linking past heritage with future expectations. She also assists the senior class as its faculty adviser.

JOSEPH A. L. RUSSO

*Director of Publications*

A.B. Harvard College

Mr. Russo is responsible for all the college publicity. He prepares promotional material which is used in advancing the public relations of Monticello. His beautiful photographs of students and their activities, of campus grounds, and of college buildings, represent Monticello life and its ideals.

As director of publications, Mr. Russo also assists in editing and satisfying the photographic needs of the college paper, the *Times*, and the yearbook, the *Echo*. His helpful advice to these two student publications is always appreciated.

FRANCES ROUSSEFF

*Acting Librarian*

Mrs. Rousseff, as head of Monticello's library staff, serves in the interests of both faculty and students. In addition to maintaining a quiet atmosphere in the library, Mrs. Rousseff assists students to find reference material or use the card catalogue.

The latest editions of reference books, periodicals, selected pamphlets, and other current reading material, are obtained through Mrs. Rousseff and are available for the entire school's use; thus adding to the 22,000 volumes already present on library shelves.

Mrs. Rousseff also has an active part in the preparation and organization of the college's annual Book Fair. Its success this year can be attributed in part to her assistance in the display of books in the library.

## *Student Council*

The Student Council is the executive body governing Monticello students. It is an elected group which carries out the democratic spirit needed to make a link between the administration and the student body. The duties of the group are to give official expression to the opinions and ideas of the students and to offer solutions to problems pertaining to student life.

The Council Board is comprised of heads of the major organizations, including the class presidents, the house chairmen, M.C.A. and M.A.A. presidents, sponsor chairman, Social Committee, and the editors of the student publications.

The four officers of the Council are chosen by the student body for their leadership and sound judgment. The president, Nada Reichman; vice-president, Beverly Cole; secretary, Marcia Warnshuis, and treasurer, Ann Duca, were elected the latter part of their junior year. In December of this year two juniors were named to the posts of secretary and treasurer. These were Dee Rumsfeld and Julie Reynolds respectively.

CORDETTE McCRAKEN . . . . .	<i>Vice-President</i>
NANCY DERRER . . . . .	<i>Secretary</i>
KATHERYN HOLMAN . . . . .	<i>Treasurer</i>

This governing group, which is elected by student vote, works in conjunction with the faculty and administration to the advantage of every girl. Members of the council have displayed their powers of judgment, self-reliance, and initiative.

Twice a month the council meets to discuss matters concerning the Preparatory School.

Membership on the board consists of the officers, class presidents, social chairmen, and floor chairmen. The faculty advisers for this body are Mrs. Nell Beall and Miss Betty Dustin Myers.

The history of Monticello's year book commenced in 1894 when it was first published as an alumnae magazine. It was not until 1936 that it appeared as an annual for the students, serving their interests, showing their activities, and retaining the memories that every student cherishes.

The activities, organizations, classes, and faculty sections show the lively picture of life at Monticello. On its pages are reflected the responsibilities and happiness shared by every college student.

To the faculty sponsor, Joseph Russo, go many thanks for his helpful advice in planning and producing the *Echo*.

A college publication, written and produced by the students with the advice of Mr. Russo, the *Times* serves to keep everyone informed of campus activities.

It is published bi-weekly and is available not only to all the students, but to parents and many alumnae.

Membership on the *Times* staff is open to all who have a journalistic bent, and the new staff is chosen from junior members who have participated during the year.

Students who participate in extra-curricular musical activities are assured a wonderful time during the year as choir and glee club members. They are both under the direction of Stephen B. Williams, and, combined have sixty-two singing voices. The members are selected at the beginning of the year on the basis of their music reading ability and voice quality.

This year performances were given for the Mississippi Valley Consistory in East St. Louis, and in co-operation with the Rolla School of Mines on campus. The choir adds much to the Sunday Vesper Services, the beautiful Candlelight Service at Christmas and the Spring Concert given for June Commencement Program.

## *Monticello Music Association*

The Monticello Music Association operated as an informal club this year, with a desire to promote interest, appreciation, and participation in musical activities. It held several student "work-shops," and offered trips to important musical events in St. Louis.

The club, under the direction of Miss Ross and Mr. Williams, also sponsored various on-campus recitals and musical programs of general interest.

## *Monticello Christian Association*

The Monticello Christian Association is one of the largest and most active organizations on campus. Its membership is open to all students who participate in social service and recreational projects.

During the past year the girls have assisted with the Alton YWCA, the Orphanage, Y-Teens, Girl Scouts and others. The MCA directs campus drives such as the World Student Service Fund, invites guest speakers to visit the college, and provides bus transportation to Alton churches every Sunday.

The enthusiastic members are especially busy around Christmas time when their main event of the year—the Doll Dinner—is held.

This year the college members were ably assisted by some of the preparatory students. Miss Nancy Walthall is faculty sponsor.

Not only future Marie Curies or Maude Slys are to be found in the Science Club, but everyone who is interested in one or all of the sciences: chemistry, biology, zoology, or botany. The purpose of the club is to promote and further an interest in these fields by demonstrations, lectures, movies, and other programs presented by members of the club and by guests. Outstanding meetings this year were the flower arranging and cooking demonstrations presented by an Alton florist and a St. Louis home economist.

Special events are to be remembered throughout the year: the annual fall and spring picnics, the Christmas party, and the famous "Open House" in the spring.

PATRICIA WATTS.....	<i>Treasurer</i>

The Eta Psi chapter of Phi Theta Kappa, an honorary national scholastic fraternity for junior colleges, was organized last year at Monticello. Membership in the club is open to those students who excel in academic endeavors.

The objects of this society are to develop character and leadership and promote the ideals of scholarship and service.

## *Current Affairs Club*

SUZANNE WOODROW . . . . . President  
NANCY HAMMOND . . . . . Vice-President

The Current Affairs Club is composed of students interested in the state of the world. Miss Eleanor McMichael and Bert A. Smith are co-sponsors.

The year's program culminated in a mock political convention on May 10. Here students were able to observe the procedure for nominating a president, and gain an insight into the making of history.

The campus visit of W. B. Ledwidge, British consul in St. Louis, was sponsored by the club.

## *Social Committee*

Monticello's extensive social program is under the direction of the social committee, composed of students who earn their membership by a point system. Their ideas for exciting dances and parties always result in fun for all.

The Committee Chairmen this year are JoAnn Smith, Nancy Walker, and Marion Whitworth. They interchange duties as heads of various committees and are in charge of the dining room and the Merry-Go-Round.

## *Preparatory Social Committee*

The preparatory social committee was formed so that preparatory students could have a separate social program more adapted to their needs. It is under the direction of three chairmen. These girls organize committees for dances, take charge of the dining room, and plan weekend entertainment. Highlights of the program have been the Christmas Dance, the Valentine Dinner, and the Commencement Dance.

The chairmen are Carolyn Amos, Ann McPartlin, and Maridan Stanley, who work with the advice of Miss Betty Dustin Meyers.

## *Beauty*

Within each girl is the power to recognize and appreciate the beauty of everyday experiences. Life is filled with beauty if one is sensitive to it and eager to find it—if one's eyes are trained to see, one's ears to hear, one's heart to understand, and one's mind to remember.

## *The Monticello Ideals*

The Echo presents seven members of the class of 1952, who, by vote of their classmates, typify the Monticello ideals. Although each girl is pictured as a representative of one ideal, she personifies each and every one of them.

## *Dignity*

This is a quality of reserve which comes with emotional, intellectual, and social maturity. Dignity is always reflected in the recognition of the fitness of things and in the poise and self-confidence with which one places one's self above that which might be considered unseemly.

JOYCE BAKER

## *Service*

Each of us has a distinctive personality and unique talents. The Monticello girl considers it not only a privilege but a responsibility to share her gifts with all, thereby helping herself and others to develop to the fullest measure.

DORIS FLEISCH

## *Friendship*

Many of your most cherished and lasting friendships will be made while you are at Monticello. Your college days will afford rich opportunities for making a wide circle of friends. In true friendship there is dignity, beauty, loyalty, service, democracy, and never-failing consideration.

BEVERLY ROBINSON

## *Loyalty*

One of the most important of the Monticello Ideals is a deep-seated loyalty to the college, one's friends, one's family and one's own beliefs. This deep-seated emotion will grow through understanding, respect and love.

MARTHA ANN BOYLE

## *Democracy*

The truly democratic person interests herself in the activities of others. She seeks to understand and respect the ideals and beliefs of her associates while maintaining her own independence of thought and action.

CAROL KLEINSCHMIDT

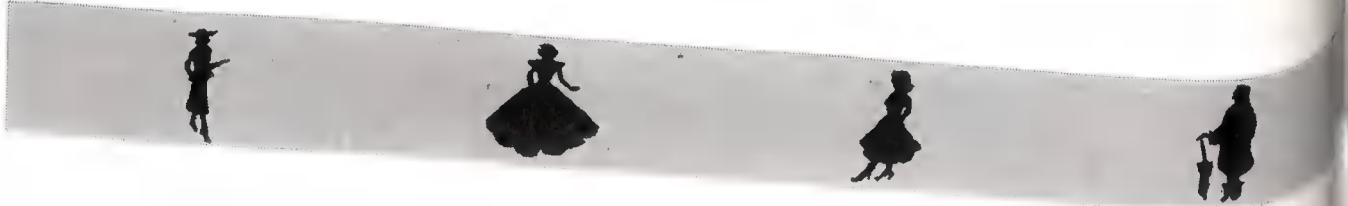

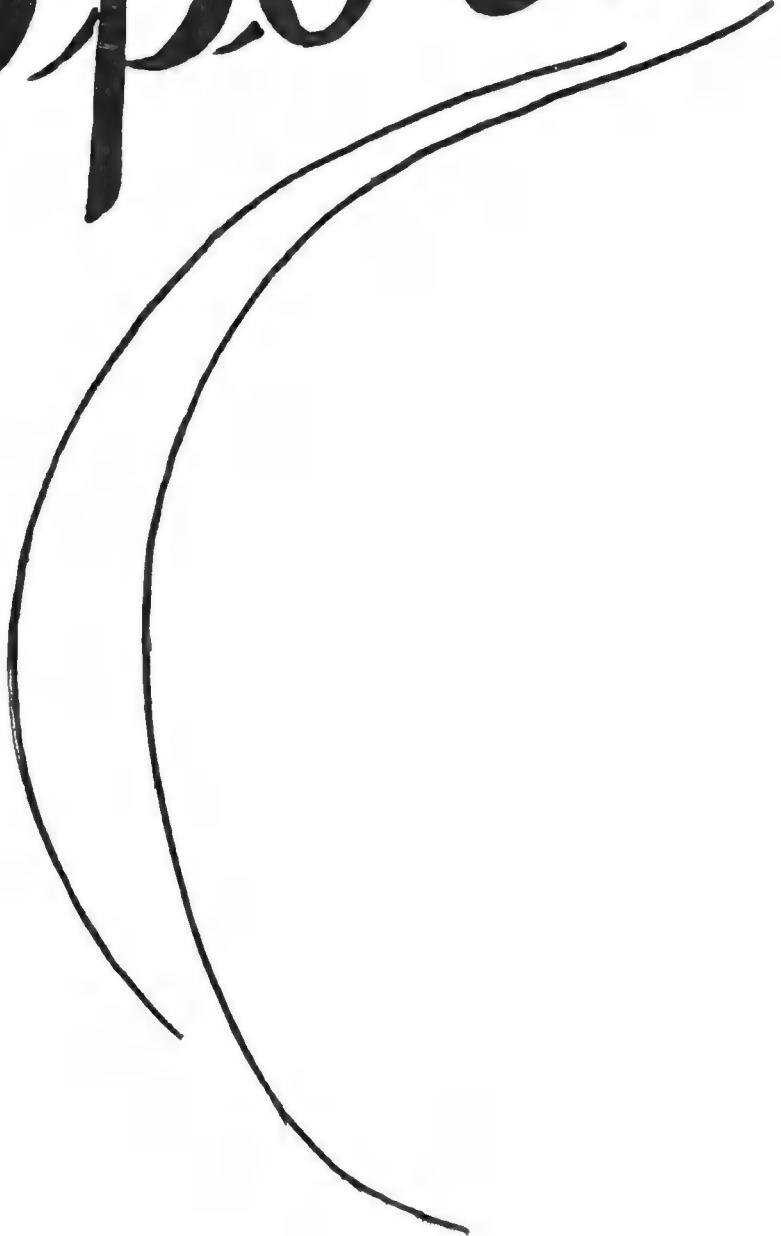

## *Wisdom*

As the Monticello girl grows in academic stature, she seeks to increase her ability to apply her knowledge usefully, for wisdom is the union of knowledge and understanding.

The familiar "See you at voluntary" echoes through the halls and smoker each week day after school when students interested in extra athletics hurry to the gym and dance studio for an hour of sports and healthy diversion from studies and classes.

The club is governed by the M.A.A. board, which strives to help each student grow mentally, morally, and physically; offering her a chance to participate actively in a sport of her choice, improve her skill, and develop a team spirit. Those students who go out for the voluntary sports make up the varsity teams and are honored at the annual sports banquets which end the three seasons.

Monticello's horsewomen have had a most successful year. The highlight was the completion of the new stable, "The Highlands."

The main purpose of the club is to further the interest in good horsemanship, although excellent riding ability is not the major qualification for membership. Hobby Horse members like to ride, want to know more about horses, and want to improve their riding ability.

Tryouts for membership are held in the fall and spring. The club planned an open-house to celebrate the initiation of "The Highlands." In February, the new stable was ready for occupancy.

## *Marlin Club*

BEVERLY ROBINSON.....*President*

CAROL KLEINSCHMIDT.....*Secretary-Treasurer*

For gals who have a yearning to spend their time in the water, Monticello has its swimming organization, the Marlin Club. Tryouts are held in the fall and spring, and all who fulfill the necessary requirements become members.

Picnics at the cabin are held for the new members. For months previous to the water pageant which is the major project of the club, girls work on theme and original ideas. "Fathom Fantasy" was presented March 7 and 8, and again during Alumnae Weekend. Miss Ruth Lindsey is faculty adviser.

For girls who enjoy tennis and wish to improve their game, the Monticello Tennis Club is a goal to strive for. Try-outs are held in the spring and fall. Tournaments are held during the tennis seasons within the club, and members represent Monticello at the play days with other colleges. An annual school tournament is sponsored by the Tennis Club, and trophies are awarded to the winners. The club meets once a week during the tennis seasons.
